MD SAMEER

Computer Science Undergrad

About Me

As an enthusiastic undergraduate pursuing a degree in Computer Science, I am dedicated to exploring the frontiers of technology. Through coursework and personal projects, I have developed a strong foundation in programming, software development, and problem-solving.

Yelahanka, Bangalore

Education

BMS Institute of Technology and Management

Avalahalli, Bengaluru 560064

Pre-Final Year CS Undergrad (CGPA -9.68)

Radiant International School

Cantt. Road, Patna 810503

April 2011 - June 2021

10th - 92.00%

12th - 94.60%

Skills

- C/C++ Programming
- JavaScript
- Java (OOPs Basics)
- Web Development
- Cloud Computing (AWS)
- DSA Problem Solving

PROJECTS

Car Showroom Management System

-Built using Java (OOPS)

A console based application providing the manager to store Car details with employees and their salaries.

Emergency Vehicle Dispatching System

-Built using HTML, CSS, PHP, SQL and Dijkstra's algo

A GUI based application providing users the nearby emergency services like Ambulance, Fire Engine and Police based on the current location of the user based on shortest path using Dijkstra's algorithm.

Portfolio Website

-Built using HTML, CSS and Bootstrap

A simple Front-End Capstone project with eye catching design

Additional

Attended 5 days Open Course on AWS services and Tools for Cloud Computing

I regularly engage in competitive programming and problem solving on platforms such as LeetCode

Hobbies and Achievements

Football

-Winner of ABVP Karnataka Football Tournament for year 2023
